

BROADCASTING COMPANY of AMERICA

INCORPORATED

ONE NINETY-FIVE BROADWAY

W. E. HARKNESS
VICE PRESIDENT & GENERAL MANAGER

NEW YORK October 20, 1926.

Radio Corporation of America,
Radio Broadcasting Station WRC,
Washington, D. C.

Dear Sirs:-

You are aware, of course, through announcements which have appeared in the public press, that we have disposed of Station WEA F to the Radio Corporation of America, and that the operation of the station and the wire network which has been used for the distribution of the programs of this station to other cities in the United States, will be carried on hereafter by the National Broadcasting Company, Inc., a subsidiary of the Radio Corporation.

Station WEA F will be accordingly transferred to the National Broadcasting Company, Inc. on November 1, 1926. We wish to take this opportunity of thanking you for the hearty cooperation and support which you have given us during the past years in our experiments in radio broadcasting.

It is our understanding the National Broadcasting Company, Inc. is desirous of continuing the present arrangement with your station, and that they plan to materially enlarge and improve their program undertakings, thus assuring you and your listeners a constantly broadened and improved service for the future.

We assure you we are very appreciative of all you have done to cooperate with us and wish both you and the National Broadcasting Company, Inc. a continuing and profitable association in the development of this increasingly important medium of public service.

Yours very truly,

BROADCASTING COMPANY OF AMERICA, INC.

W. E. Harkness
Vice President & General Manager.
