

Chimes

File

July 27, 1939.

Mr. E. P. H. James,
National Broadcasting Co.,
RCA Building,
New York City.

Dear Mr. James:

Just a word to remind you that we still have the permission of Gillette to use NBC official chimes on the Broadway electric sign.

I hope your engineers are making quite some progress on the device.

Sincerely yours,

DOUGLAS LEIGH, INC.

Douglas Leigh

President.
